Hi all,

We are inching closer to installation of the scramble and are starting to look at some potential dates in mid to late October. As such, I am following up with each of you to see if we have any updates on the outreach/education/enforcement discussion we had at our recent meeting.

Kerry: any word from Buzzfeed or any other related opportunities for messaging?

Dan: has your graphics guy had a chance to mock up a pamphlet/fact sheet yet?

Tim
